

The Ugandan population: Friendly and many-sided

You will encounter most Ugandans as **friendly and open**. Whether in the city asking for directions, or at one of the numerous fruit stands on a country road buying refreshments.

When it comes to business, you will have to count on experienced bargaining at your offers. But do not misunderstand! Because at the end of the day, even in Uganda you have to make a living. So please, don't get it wrong!
