

Sports in Uganda

Ugandan are true sport fanatics!! There are over 20 sports organized by associations. Football (soccer), athletics, boxing, golf and many more are being performed.

Football

The most popular sport is football, organized by the **Federation of Uganda Football Association(FUFA)**. There is no real professional league but **two national championships** are played every year. There are also football clubs the numerous children can join. One of the most popular one is **SC Villa**.

The absence of a professional league is the reason for the modest results of the **national team** (The Cranes). The biggest success they could celebrate was at the **CECAFA Senior Challenge Cup** (Council of East and central Africa Football Association), a championship between eastern and central african countries. At this championship they hold a record of **10 titels** since the inauguration tournament in 1973. Recently they won in this cup final 1:0 against Kenya.

In the **FIFA world rankings** Uganda is ranked 70st with 457 points. For comparision here a list with Uganda and German speaking european countries (June 2010):

- Germany: Ranked 4th, 1464 points
- Switzerland: Ranked 18nd, 940 point
- Austria: Ranked 60th, 536 points
- **Uganda: Ranked 70th, 457 points**
- Luxemburg: ranked 116th, 209 points
- Lichtenstein: Ranked 140nd, 126 points

The biggest success was a runner up position at the **Africa Cup Championship** in 1978. Uganda has never qualified for the finals in the **FIFA world cup**. At the moment Uganda plays in the 3rd group with Angola, Benin und Niger for the qualification to South Africa in 2010.

You can watch a league match in Kampala in two stadiums:

- Nakivubo War Memorial Stadium from SC Villa, 15.000 seats, Kampala P.O Box 1859, Plot 7 Namirembe Road
- Nelson Mandela Sport Stadium, Jinja Road, Namboole, 45.000 seats
