

Information Services Uganda

Under the heading " Services" **we are collecting interesting things about Uganda.** Of course, pictures and videos is a must. But you will find also links to further information from the internet regarding Uganda. You will see: There are always new things to learn about the travel destination Uganda.

- **Picture gallery** - Pictures from Uganda: For a start we present about 600 pictures, which are subdivided into 20 categories. And there are going to be more with each "inquest journey" we will make.
 - **Video** - One video summarises the most important facts about Uganda. Uganda live for 15 minutes.
 - **Weblinks** - useful links to other websites about Uganda. Also an area we will constantly extent. We collecting links to other websites which are somehow connected to Uganda.
 - **Books** - informative books about Uganda. You will find tips regarding literature about Uganda. First of all, of course, the guide books, which you should obtain before your safari.
 - **News** - RSS-Feeds with current news about Uganda. With RSS you are allowed to integrate news from other websites onto your own internet portal. There are only a few sources from Uganda. You can find some of those here.
 - **Guestbook** - for your proposals, questions, comments. Note down your comments about the "Safari-in-Uganda.com"- website. Other visitors will be interested in your opinion!
