

Weblinks for Uganda

There are not yet too many websites about Uganda that might be of interest for tourists. We start here with such a list, separated into several categories:

- **Tourism:** Besides official Ugandan websites you can find "this and that" about tourism in Uganda
- **Arts & Culture:** Here you find websites for example from artists or the theatre in Kampala.
- **Nature and wildlife conservations:** Here we collect websites relevant for environmental and wildlife protection in Uganda.

You know further websites that should be listed here? We would be grateful when you [inform us with short message via the contact form.](#)
