

# Driving cars in Uganda

**To drive in Uganda is not the easiest task.** This goes especially for Kampala during the rush hour, when every inch of street is fought over by trucks, coaches, small buses, vans, cars, motorbikes (with 2 - 3 passengers), bicycles and pedestrians.

# Car hire in Uganda

On your individually planned journey a reliable car - preferably with a reliable driver - is the **key to a successful stay in Uganda**. Please budget a major part of your money on that.

# Taxis, busses and other transport in Uganda

The **main vehicles** of the public transport in Uganda are small mini busses, which are called here "**taxis**". In contrast to our taxis these are approved for 14 people and low priced. Nationwide they are distinguished by their **blue chequered markings**.
